

TERMS & CONDITIONS

UPDATED JUNE 2013

All fonts downloaded from this site (<http://lisidesign.com>) are independently distributed and designed by Luke Lisi. They are available to use for personal and commercial use alike unless otherwise noted. For more detailed licensing information, please review the "License.pdf" file provided with the respective font download.

All fonts are available in OpenType format (.OTF), however, I also include TrueType (.TTF) formats with the downloaded files. Prefer OpenType over TrueType because OpenType provides more robust features including alternate glyphs as well as more advanced metrics tables.

I am always interested in improving the fonts so if you have any feedback or concerns, please don't hesitate to contact me at luke@lisidesign.com.
